**8:00 AM** Depart this morning on your luxury Silver Coach. Enjoy the annual change in seasons today on this marvelous tour. New Englanders hardly ever need to check the calendar for the onset of fall.

Instead, the maple sugar hues of red, orange and yellow signal the seasonal changes on their own, especially in New Hampshire, 'The Granite State'.

*You'll note these as you travel along The Kancamagus Highway in New Hampshire, voted one of the "Top Ten" most scenic highways by AAA. You'll also enjoy a scrumptious full course buffet luncheon at the Indian Head Resort, featuring soup du jour, a garden salad, a variety of hot entrées and desserts. The Indian Head also has a most interesting gift shop!* New Hampshire's best attractions are yours to enjoy and you'll make

several scenic sightseeing stops along the way and view the White Mountain's beautiful Presidential Range. *You'll make your way back home at 5:30 PM after a delightful day experiencing Mother Nature's fall blessing with your friends.*
